

TRUE NORTH

TEST SERIES

JEE MAIN 2027

The road to your rank, measured every week.

8

weekly part tests

6

full-length JEE Main mocks

75 Q

300 marks
3 hours · NTA pattern

Sat

9 AM – 12 PM every week

HOW IT WORKS

1

Revise

Self-study the week's chapters — theory + PYQs.

2

Clear doubts

Bring every doubt to class. Solve with us.

3

Write

Saturday test on the week + 30% from earlier.

4

Analyse

Rank, percentile, leaderboard & your weak spots — on the portal.

PART TESTS

PART TEST 1

Wed, 28 Oct
9 AM – 9 PM*

Physics

- XI** Units & Measurement, Vector
- XII** Electrostatics

Chemistry Redox, Mole Concept, d-Block

Maths

- XI** Quadratic Equations
- XII** Relations & Functions, ITF

PART TEST 2

Sat, 7 Nov
9 AM – 12 PM

Physics

- XI** Kinematics
- XII** Capacitance

Chemistry Chemical Equilibrium, Ionic Equilibrium, Salt Analysis

Maths

- XI** Sequences & Series
- XII** Limits, Continuity & Differentiability

+ ~30% questions from all earlier weeks

PART TEST 3

Sat, 14 Nov
9 AM – 12 PM

Physics

- XI** Laws of Motion
- XII** Current Electricity

Chemistry GOC, Isomerism, Hydrocarbons

Maths

- XI** Straight Lines
- XII** Indefinite & Definite Integration

+ ~30% questions from all earlier weeks

PART TEST 4

Sat, 21 Nov
9 AM – 12 PM

Physics

- XI** Work Power & Energy, Conservation of Momentum
- XII** Magnetic Effects of Current, Magnetic Properties of Matter

Chemistry Halides, Alcohols, Acids

Maths

- XI** Conic Sections
- XII** Area Under Curves, Differential Equations

+ ~30% questions from all earlier weeks

PART TEST 5

Sat, 28 Nov
9 AM – 12 PM

Physics

- XI** Rotational Mechanics
- XII** EMI, Alternating Current, EM Waves

Chemistry Atomic Structure, Periodic Properties, Chemical Bonding

Maths

- XI** Trigonometry
- XII** Vector Algebra, 3D Geometry

+ ~30% questions from all earlier weeks

PART TEST 6

Sat, 5 Dec
9 AM – 12 PM

Physics

- XI** Fluid Mechanics, Gravitation
- XII** Geometrical Optics

Chemistry Thermodynamics, Electrochemistry, p-Block

Maths

- XI** Complex Numbers, Binomial Theorem
- XII** Matrices & Determinants

+ ~30% questions from all earlier weeks

PART TEST 7

Sat, 12 Dec
9 AM – 12 PM

Physics

- XI** Elasticity & SHM, Waves & Sound
- XII** Wave Optics

Chemistry Solutions, Chemical Kinetics, Coordination Compounds, f-Block

Maths

- XI** Basic Mathematics, Sets
- XII** Application of Derivatives

+ ~30% questions from all earlier weeks

PART TEST 8

Sat, 19 Dec
9 AM – 12 PM

Physics

- XI** Heat & Thermodynamics
- XII** Modern Physics, Semiconductors

Chemistry Amines, Biomolecules, Practical Organic Chemistry

Maths

- XI** Permutations & Combinations
- XII** Probability, Statistics

+ ~30% questions from all earlier weeks

FULL-LENGTH MOCKS

FULL TEST 5

6 Jan
Wed

FULL TEST 6

9 Jan
Sat

Full JEE Main syllabus · 9 AM – 12 PM · two a week through the winter break.

★ ***Part Test 1 is open all day on Wed, 28 Oct** — start any time from 9 AM, but by 9 PM to get the full 3 hours.

★ **Your schedule, syllabus, results and leaderboard live in the Test Series tab on the portal.**

Every Saturday, **one step closer** to your rank.

JEE Advanced track begins after board exams — schedule to follow.
